Karaganda State Medical University

WRAP UP & REPORTING

1. From what you have learned throughout the Study Tour, list 3 initiative that can be easirly implemented in your Institution
 - Support center for student, Development of survival guide
 - SUCTI project implementation at home, training stuff internalization
 - Summer schools

2. Identify the 3 priority areas for your internalization process
 - Internalization curriculum (MSc, PhD programs in English)
 - Student ambassador (PR, International marketing)
 - Mixed classes (local students and international students)

3. Considering the new international office that you will create. List the 3 most important services that the office should provide/improve:
 - Welcoming incoming students
 - Organize session for outgoing students (invite ex exchange students to share their experience)
 - Dissemination on social websites
